

# Academics

Academics ensures that international students are aware of and connected with all the resources PSU offers for their success. In the past academic year, 19 academic events were held with a total of 378 students.

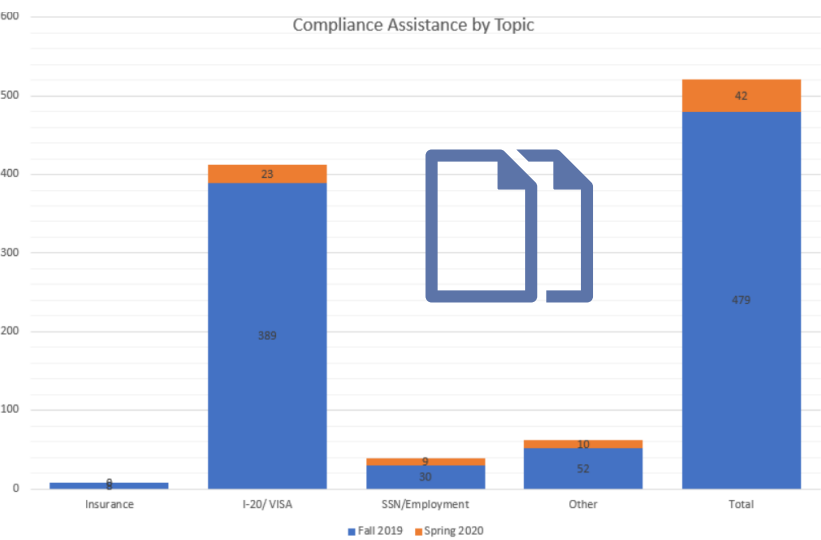

Participation Academic Events

# Compliance

Compliance assists students in their legal responsibilities inside the US, dealing with documentation, and maintaining legal status while studying in the country. Compliance assisted 521 students in different areas throughout the year.

Compliance Assistance by Topic

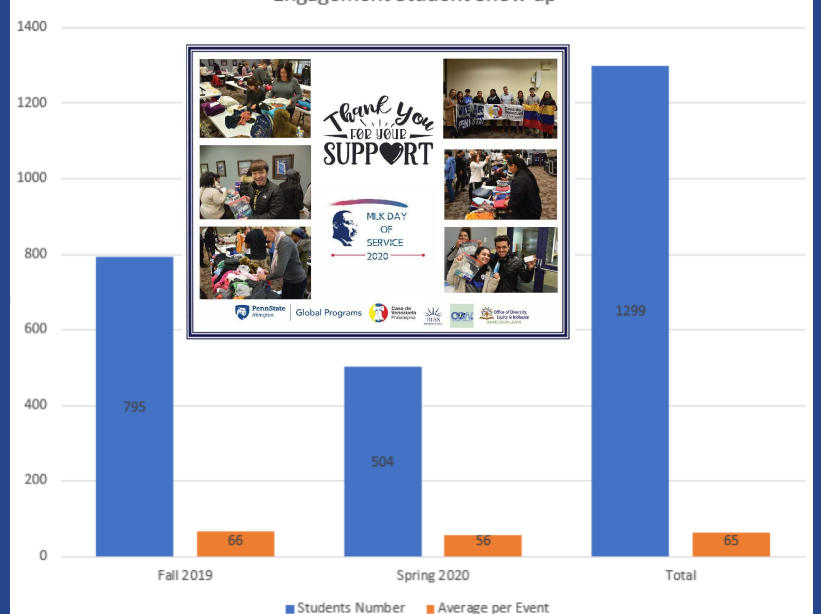

# Engagement

Engagement focuses on creating an international and multicultural environment on campus to promote global citizenry, provide leadership opportunities, and advocate for students. The events motivate local students to interact and learn about international aspects and international students to adapt and learn about local culture. In the past year, Engagement involved 1299 students in 20 events.

# Fact Sheet from the Office of Global Programs

The Office of Global Programs at Penn State Abington is dedicated to a high impact on global learning and engagement with Abington students. We provide programming, compliance, and academic assistance for all our 525 international students, as well as promote and advise on study abroad opportunities to all students. We also support our faculty and staff in various efforts to internationalize our campus as well as our curriculum, with the purpose of making them global citizens.

## Penn State Abington's International Student Population by Year

This year we assisted

1,706

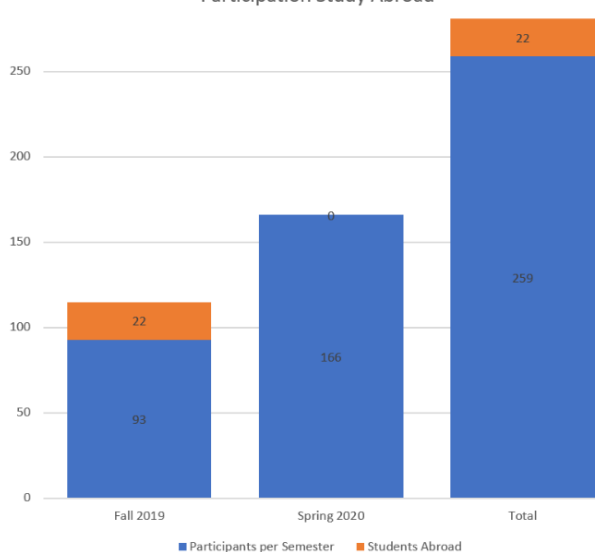

Students in 30 different campus events

# Study Abroad

Study abroad helps students with preparation, advising, and promotion for international PSU programs. In the past academic year Study Abroad organized 5 events with 345 participants. This year 22 students went abroad on PSU programs.
