View My Major Preferences

Update Academics

The purpose of the View My Major Preferences tool is to better sup access the tool through the Degree Planning and Progress navigati

When using the tool, select Intended Graduation Campus first and Plans/Majors have Sub-Plans/Options, while others do not. Sub-Pla information about minor preferences.)

#### USING VIEW MY MAJOR PREFERENCES DOES NOT:

- Officially update a student's campus
- Officially update a student's major
- Imply approval to intended graduation campus
- Imply approval into preferred majors

To request official changes to your major or campus, use the Upda
